

Job Title – Machine Operator**Description:**

Are you a Maker? Find interest in 3D printing and CNC machining? We have an opportunity for you to put those interests to work. We are looking for a Machine Operator to set up, maintain and operate a variety of CNC machinery. Will train the right candidate!

Duties will include, but are not limited to the following:

- Set up machines (calibration, cleaning etc.) to start a production cycle.
- Control and adjust machine settings (e.g. speed).
- Feed raw material or parts to semi-automated machines.
- Inspect parts with precision and measuring tools.
- Test operation of machines periodically.
- Fix issues that might occur during the shift.
- Check output to spot any machine-related mistakes or flaws.
- Keep records of approved and defective units or final products.
- Maintain activity and maintenance logs.
- Perform quality work checks to ensure the product meets quality standards.
- Identify product defects and complete appropriate process changes when defects are found.
- Perform all work in accordance with established safety procedures.
- Prioritize workflow through effective communication with management staff.
- Maintain a clean and safe work area.

Must have:

- Aptitude for math, problem-solving, computers, and mechanics
- Attention to detail
- Ability to work and communicate well with others
- Proficiency with hand tools
- Willing to perform repetitive tasks for extended periods

An ideal candidate will have:

- Familiarity in a metalworking environment
- Experience with Brake, Shear, Mill and Lathe
- Familiarity with CNC
- Ability to weld (certified is a huge plus!)
- Completed related vocational / official training

Physical demands and abilities:

- Regularly lift 30-50 pounds
- Regularly perform repetitive tasks
- Regularly possess manual dexterity to put parts or pieces together quickly and accurately
- Ability to operate a fork-lift (will train and certify if needed)

This position is hourly plus full benefits including paid medical and dental, vacation & PTO days and 401K matching.
